

3 WAYS TO KEEP YOUR EMPLOYEES HAPPY

... with an automated workforce management solution.

Happy employees = happy employers. Employee satisfaction is an essential part of attracting and retaining top talent. Here are 3 ways to elevate morale and keep your employees happy:

1 Ensure payroll accuracy

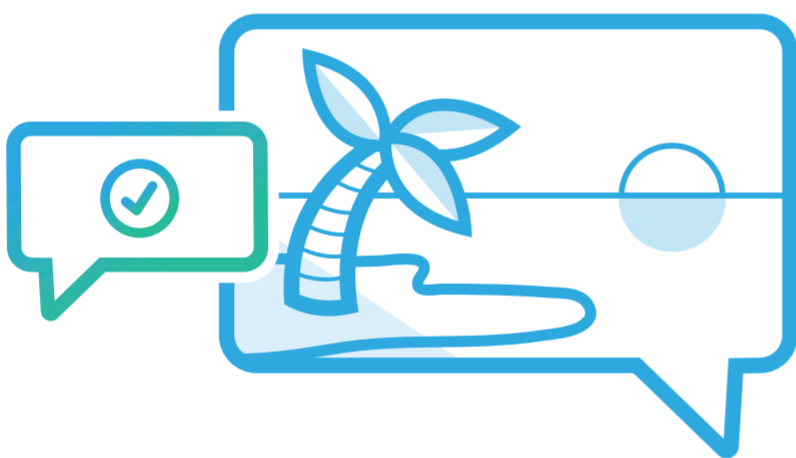

48% of employers don't learn about payroll errors until an employee complains¹.

Human error is the number one source of accounting errors².

2 Improve communication around paid time off (PTO)

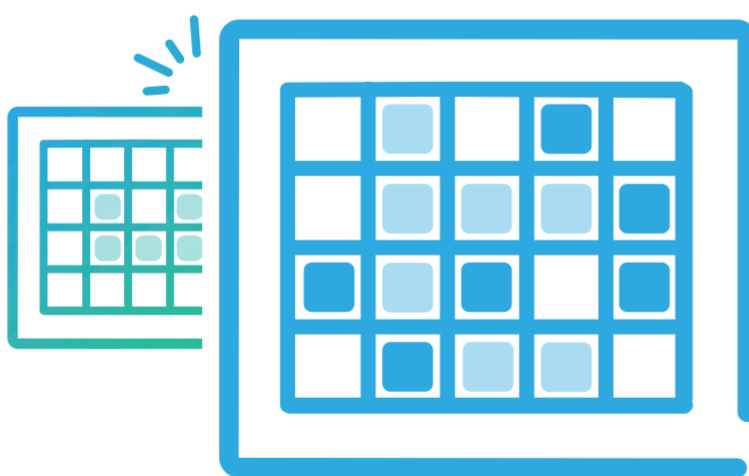

Nearly 4 in 10 workers say it's not easy to take PTO³.

67% of employees are discouraged from taking PTO, receive mixed messages, or hear nothing at all from their employer about taking time off³.

3 Offer flexible scheduling tools

Only 33% of organizations allow workers to swap shifts with qualified peers¹.

Only 39% allow employees to designate availability¹.

Keep your employees happy with our automated workforce management software—built for 'Making Work Easy' across all locations and employee groups.
